

The background of the entire page is a photograph of two young Buddhist monks with shaved heads, wearing traditional saffron-colored robes. They are both smiling broadly and looking towards the camera. Behind them is a large, traditional red umbrella with black ribs, which is partially open. The sky in the background is a clear, bright blue. The title 'People & Planet' is written in a white, hand-drawn, sans-serif font across the top of the umbrella.

Diary 2010

Borderlands have just received the fourth edition of the People and Planet Social Justice & Environment Diary for 2010 and they are just as striking as the previous year. The photos in this year's diaries were selected from close to 1,000 entries from 31 countries, putting into perspective the direct impacts of climate change and poverty. The sales of this diary work to support member organisations in this crucial fight.....

These amazing diaries are **\$ 19.95**
